PEACE OF MIND

- Like all Milgard windows, the Montecito™ Series comes with Milgard's Lifetime Warranty
- The SmartTouch™ lock has been certified to meet or exceed the industry's toughest forced entry codes and offers peace of mind that when the window is closed, you are assured it is locked

INSTALLS EASILY IN NEW CONSTRUCTION

- 3-1/4" overall frame depth with 1-3/8" nail fin setback (1" nail fin setback with stucco key available)
- Custom Sizes and configurations to meet your project needs
- Three J-Channel exterior trim options available

ADDITIONAL UPGRADES AVAILABLE WITH MONTECITO™ WINDOWS:

- Wireless security sensor-ready feature: compatible with many home security systems and will not void the Milgard Lifetime Warranty
- Advanced energy efficiency package: Milgard's SunCoatMAX™ glass and advanced warm edge spacer technology are combined for additional comfort in extreme hot and cold weather conditions
- Simulated Divided Lite (SDL) grids add dimension and shadowing

GREAT SERVICE DESERVES GREAT PRAISE

A great window with a great warranty, orders delivered accurately and reliably, service needs handled agreeably and quickly, and all for a fair price. Milgard ranked highest overall and in six of seven J.D. Power and Associates survey categories. And contractors recommend Milgard twice as often as the average brand.

It's how a window company should operate.

Milgard Windows & Doors received the highest numerical score in the proprietary J.D. Power and Associates/McGraw-Hill Construction 2006 Commercial Window and Door Subcontractor Satisfaction Study™. Study based on responses from 476 subcontractors measuring 7 manufacturers and measures opinions of subcontractors. Proprietary study results are based on experiences and perceptions of subcontractors surveyed in May through July 2006. Your experiences may vary. Visit jdpower.com.
