INTRODUCING

TUSCANY™ SERIES

VINYL WINDOWS FOR
REPLACEMENT APPLICATIONS

Replacement windows are one of the easiest ways to dramatically impact a home's appearance and value. The Tuscan™ Series Vinyl Windows from Milgard offer homeowners exactly what they are looking for in a window: architecturally styled, engineered for comfort and function, all backed with the Milgard Lifetime Warranty and service.

With additional features not typically found standard on windows, such as a glass breakage warranty and ratings that meet or exceed ENERGY STAR®, the Tuscan™ Series advantages are obvious.

DESIGN

EXTERIOR:

- Frame reveal on fixed sash enhances curb appeal
- Engineered window screen pull rail makes it easy to install and remove screens

INTERIOR:

- Frame details such as shadow lines and mitered glazing bead enhances window aesthetics
- The Milgard exclusive SmartTouch™ lock is integrated into sash so as not to obstruct views
- Even sightlines between multiple combination windows deliver an architecturally pleasing look

COMFORT AND FUNCTION

- All Tuscany™ products are engineered to meet ENERGY STAR® standards in all zones
- Constant force sash balancing technology on the double hung window provides smooth operation and tilt sash functionality
- The Milgard SmartTouch™ lock permits one-touch operation to unlock and open window in one effortless motion
- Vent stops for added comfort

PEACE OF MIND

- Quite possibly the best homeowner's warranty package in the industry: Milgard's Lifetime Warranty plus an added Lifetime Glass Breakage Warranty
- The SmartTouch™ lock visually delivers peace of mind that when the window is closed, you are assured it is locked

EASE OF INSTALLATION

- 3-1/4" overall frame depth available in three different frame designs:
 - * Block frame for insert type replacement
 - * 1-3/8" setback nail fin for tear out replacement
 - * Integral standard and wide Z-bar perimeter for stucco construction replacement
- Three J-Channel trim options
- Custom Sizes and configurations to meet your project needs
- Head expanders, jamb jacks, and pre-drilled installation holes come standard in Tuscany double-hung block frame products

ADDITIONAL ENHANCEMENTS TO CONSIDER

- The Tuscany Series windows complement our Classic™ Series Sliding Patio Doors
- Wireless security sensor-ready feature: compatible with many home security systems and will not void the Milgard Lifetime Warranty
- Advanced energy efficiency package: Milgard's SunCoatMAX™ glass and advanced warm edge spacer technology are combined for additional comfort in extreme hot and cold weather conditions
- Simulated Divided Lite (SDL) grids add dimension and shadowing

GREAT WINDOWS AND DOORS DESERVE GREAT PRAISE

A great window with a great warranty, orders delivered accurately and reliably, service needs handled agreeably and quickly, and all for a fair price. Milgard ranked highest overall and in six of seven J.D. Power and Associates survey categories. And contractors recommend Milgard twice as often as the average brand.

It's how a window company should operate.

"Highest in Subcontractor Satisfaction Among Commercial Window and Door Manufacturers."

*Milgard Windows & Doors received the highest numerical score in the proprietary J.D. Power and Associates/McGraw-Hill Construction 2006 Commercial Window and Door Subcontractor Satisfaction Study.SM Study based on responses from 476 subcontractors measuring 7 manufacturers and measures opinions of subcontractors. Proprietary study results are based on experiences and perceptions of subcontractors surveyed in May through July 2006. Your experiences may vary. Visit jdpower.com.
